

The Finger - Line Hose Lubricator

The first ever tool to help Linemen spray silicone on rubber hoses

When you pull your hose over the finger the hose is automatically spread and the spray is directed onto the inner skirt of the hose.

- Clip the can into the metal clips and it's ready to go
- Accepts multiple can types and all hose sizes
- Easily mount to a truck, inside the bin door, or in a vice clamp

Part # KVL-TF
