

US Patent Pending
BIG CONTAINMENT PAC™

LARGE CAPACITY

**CONTAINS UP TO
110 GALLONS**

COMPACT SIZE

18" x 15" x 5"

**WHAT MAKES THE BCP
SUCH A BIG DEAL?**

It's a BIG deal because it is a spill kit and instant pop-up pool all in one portable Pac!

A spill kit and containment pool all in one. The Big Containment Pac™ (BCP) couples the power of the Inflatable Containment Tank™ (ICT), with an Andax Emergency Spill Kit™ for up to 110-gallons of spill containment – all in a 18" x 15" x 5" package. It's small enough to easily fit in narrow spaces, like behind a truck seat, small utility compartment or toolbox.

Pool expands to contain up to 100 gallons

INFLATABLE CONTAINMENT TANK™

The Inflatable Containment Tank™ (ICT) is made to catch big spills - up to 100 gallons. The included CO2 cartridge inflates the pop-up pool in seconds. The low-profile design allows the pool to fit in spaces with little ground clearance.

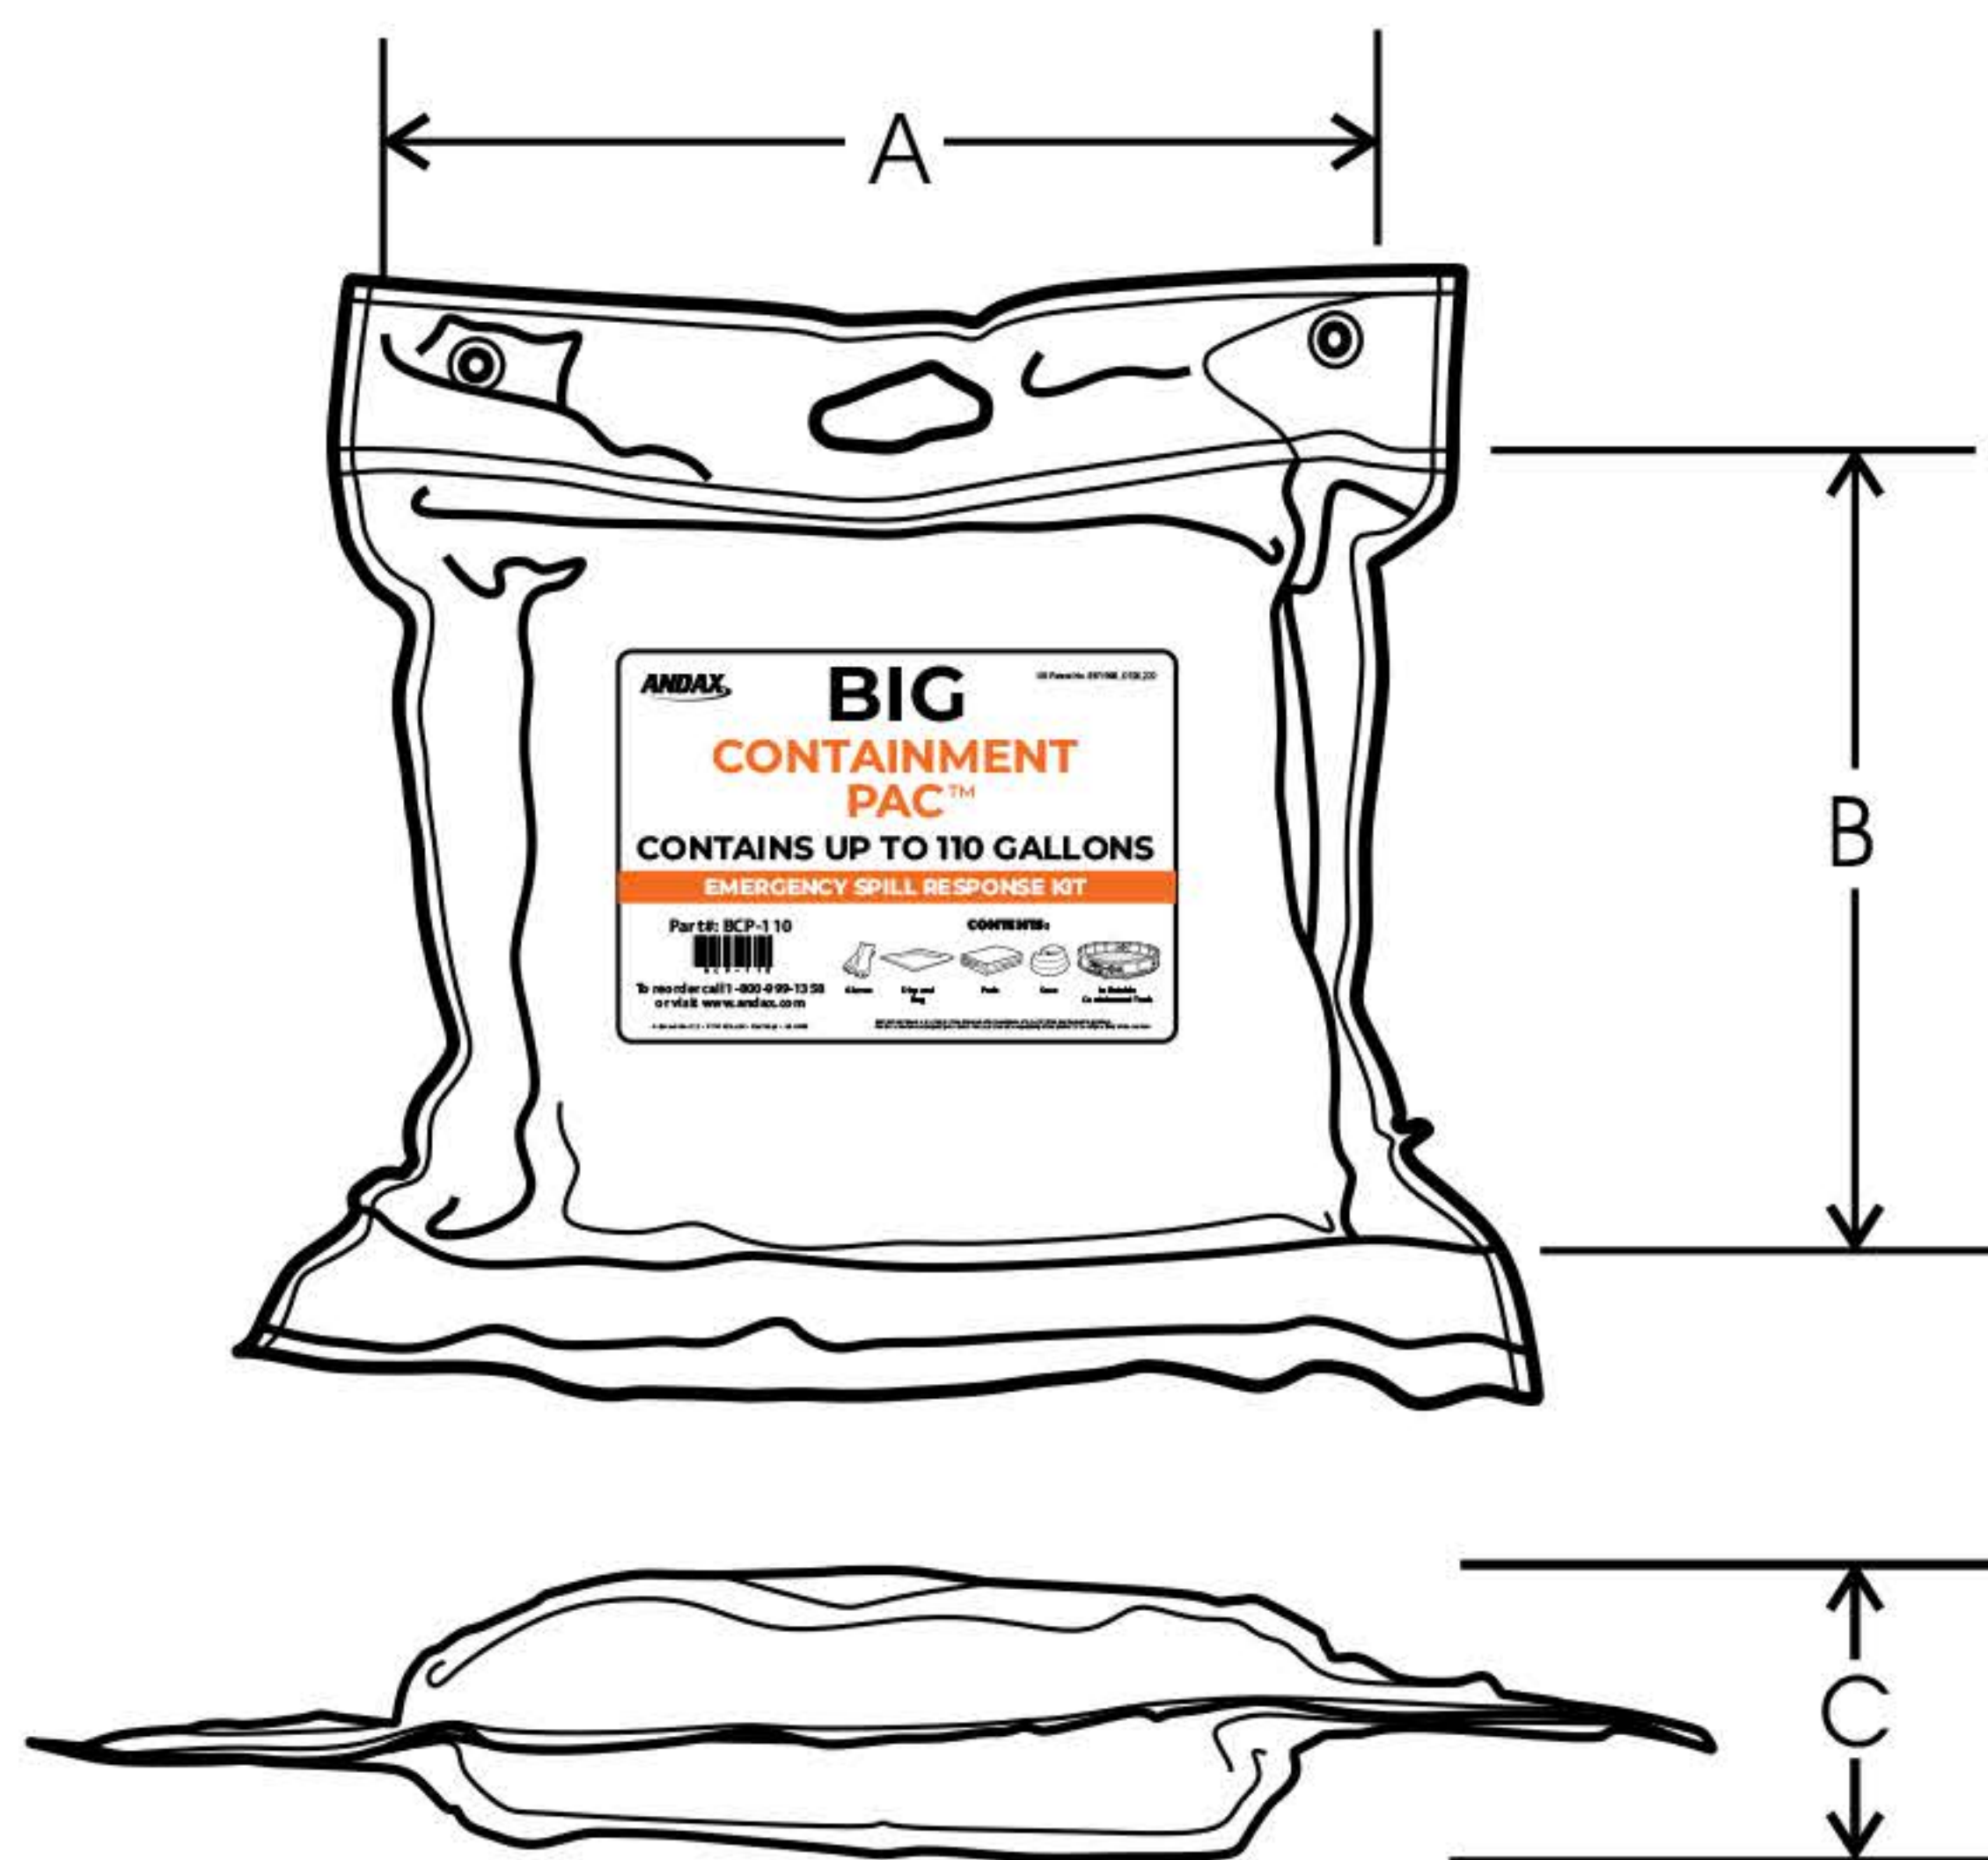

Follow this link to view a video of the ICT in action.

REUSABLE

The included ICT can be wiped clean and stored in the soft carrying case (included) for future use. Additional CO2 cylinders are available for purchase (Part # ICT-RC-38G).

SPECIFICATIONS (stowed size)

Part #	A	B	C
BCP-110	18"	15"	5"

The enclosed ICT pop-up pool expands to 60" Dia. x 10" H.
