

TRANSFORMER CONTAINMENT BAG™

US Patent 10,266,307

The Transformer Containment Bag™ (TCB) provides complete transformer containment while allowing access to the manufacturer's lifting lugs, ensuring OSHA Compliance while lifting, moving and storing transformers and DOT Compliance while transporting.

FEATURES

- Clearview Reinforced UV Resistant all-weather duffle cover
- Hook and loop strap for securing duffle
- Proprietary puncture-resistant sidewall
- UltraMAX™ Reinforced Proprietary Base

Manufactured by

andax.com

Distributed by

www.linestar.ca

COMPLIANCE

- ✓ OSHA Compliant Lifting
- ✓ DOT Compliant Transporting

PRIMARY ACCESS

Access to lugs while duffle is down

STORAGE ACCESS

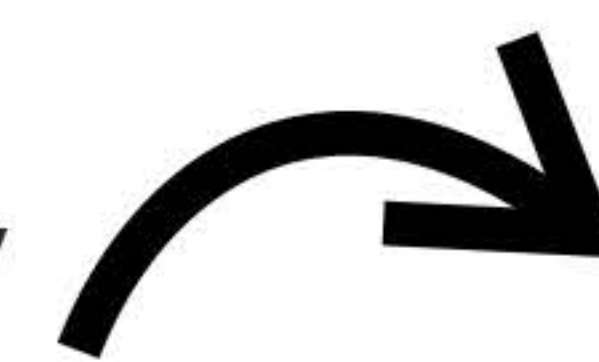

Access to lugs while duffle is up

The TCB has been honored with the following New Product of the Year Awards:
