

FLEXIBLE UNIVERSAL CLAMP TOP INSULATOR COVER

CC-FLEX-UCT

The Power Line Sentry Clamp Top Insulator Cover provides superior coverage, easy installation, and a universal fitment for all OEMs producing clamp top insulators (K-Line, Hubbell, Hendrix, Advanced Ribber Products, MacLean). Flexible sleeves allow for fitment on all configurations - vertical and horizontal. Arrives in one piece, ready to install.

- > Hotstick or glove install - no locking pins needed
- > Snap fits into position
- > Flexible, Rip-Stop™ tear-resistant vulcanized silicone line hose sleeves
- > Arrives in one piece ready to install - no need for assembly on site, no chance for sleeve separation
- > 72" of coverage (60" minimum recommended)
- > Covers energized portion of the insulator, allowing insulator sheds to naturally clean and be easily viewed during line inspections
- > Proprietary FR (V-0) UV polymer
- > Secure in high winds (≥ 100 mph) for sustained periods
